# Who We Are and What We Do

*“We are a Green Coffee Supplier and Trading Company Offering the Best Quality to The World.”*

Indonesia Specialty Coffee (ISC) is a green coffee exporter and trading company founded in 2010. We have 12 years of experience and specialize in providing high quality Arabica and Robusta beans with a unique taste. We have a presence in Indonesia and have plans to expand as an importer to international markets such as San Francisco, Dubai, and other Middle Eastern countries. By expanding as an importer and having a hub in those locations, we will be able to better reach our target market including roasting companies, other importers, distributors and retailers.

Our company is committed to ethics and sustainability, and operates as a Benefit Company to ensure responsible and sustainable practices for the communities we interact with. We own and manage 75 Ha of specialty coffee processing sites, and partner with selective cooperatives to offer diverse range of coffee selections. Our goal is to improve the quality of life for everyone involved in the coffee industry.

# Our Identity

*To be a premier importer of Indonesian specialty coffee beans in San Francisco, Dubai and the Middle East, known for our high-quality and sustainable practices.”*

# Our Mission

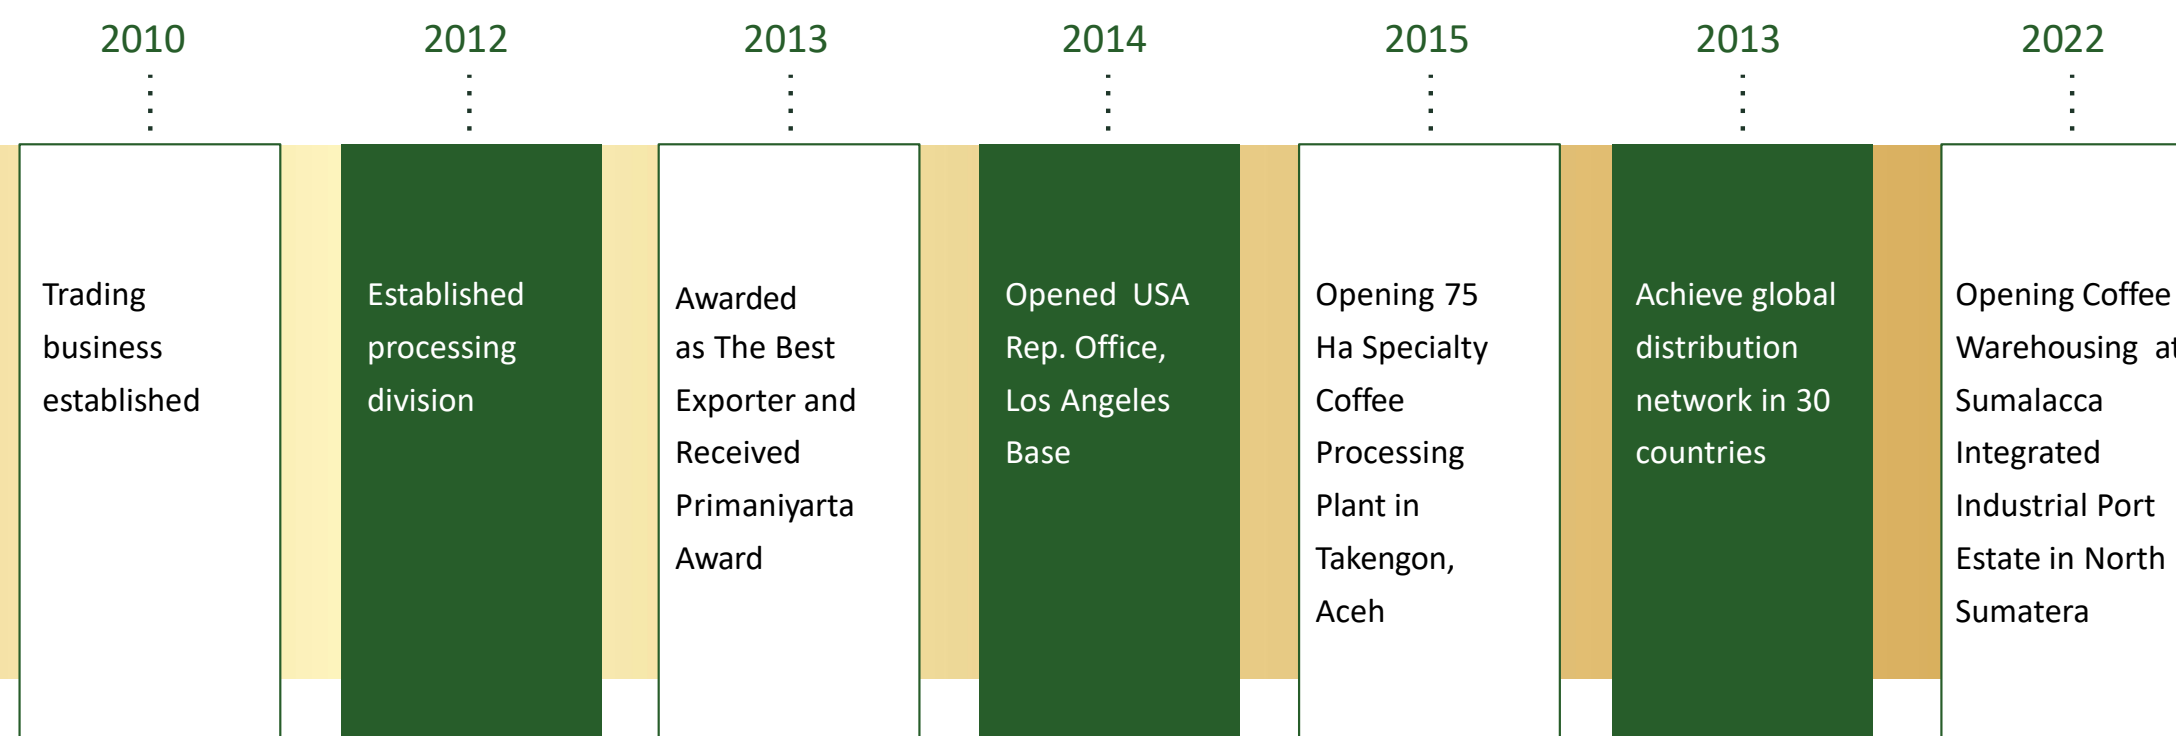

1. Offering high quality, sustainably-sourced Indonesian specialty coffee beans
2. Building strong relationships with Indonesian coffee farmers and producers.
3. Implementing sustainable practices throughout the company.
4. Establishing a strong presence in San Francisco, Dubai, and the Middle East through marketing and branding.
5. Providing excellent customer service and building long-term client relationships.
6. Continuously improving and innovating to stay ahead of industry trends.
7. Being a key import and distribution center for Indonesian coffee in San Francisco, Dubai, and the Middle East.

# Our Achievement

*Over 12 years, Indonesia Specialty Coffee has grown from a small trader to a global award winning company with international standards & memberships*

## Strong ability to maintain global competitiveness during the journey

16 October 2013, the company achieved the award as the Superior Potential Exporter, for our 12 years in escalating coffee industry in Indonesia. The judging process was held in October 4th, 2013 at the Ministry of Trade office in Jakarta. The selection and determination of the Primaniyarta award winning Company/Exporter for 4 (four) categories was conducted by Independent Jury Team, that comes from various background related to Indonesia Export. The award was given by the Vice President of Republic of Indonesia, Boediono, during the opening of Trade Expo 2013 in Jakarta International Expo (JIExpo), Kemayoran, Jakarta.

# Our Coffee Products and Supply Chain

*“ISC Coffee specializes in the trading and importing of a variety of green coffees, including specialty, organic, certified, sustainable, and fair trade.”*

***To provide a superior product in these areas, we utilize an array of Arabica and Robusta beans.***

At Indonesia Specialty Coffee, we manage all aspects of our green coffee operations from milling, processing, warehousing, and exporting to trading. We maintain constant communication between all of our processing locations to stay informed about crop forecasts, weather updates, and other factors that may affect current and future supplies. Furthermore, all samples that pass through our office are cupped and graded by our trained "Q" graders and experienced quality control team, to ensure that all coffee delivered by ISC meets the highest standards.
